

Regis Manor Primary School
Sports Funding Plan: 2017/18

As part of the Governments drive to increase sports participation for all the school has been provided with funding to raise awareness and involve all children in sport, physical activity and healthy eating.

Total amount received: £16 960

Funds have been provisionally allocated as outlined below.

Background

In April 2013, the Government announced new funding of £150 million for Physical Education (PE) and sport. This funding should be used to improve the quality and breadth of PE and Sport provision. The funding is for the period 1 September 2014 – 31 August 2016. This funding is ring fenced to be used for sport specific areas to make an impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

VISION

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

- the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles,
- the profile of PE and sport being raised across the school as a tool for whole school improvement,
- increased confidence, knowledge and skills of all staff in teaching PE and sport,
- broader experience of a range of sports and activities offered to all pupils and
- increased participation in competitive sport.

Sports Premium Spend	Activity	Target / Rationale for spend and desired outcomes	How this will be achieved
