Dear Parents/Carers

Mathletics Mania!

At Regis Manor Primary School, we are extremely lucky to have the use of Mathletics. If you don't know what it is, it's an online maths programme which supports your child's learning. The activities are matched to the national curriculum so reinforce the learning children have done in school. As well as the activities, there are games and competitions the children can take part in. They can even challenge and play games against other children all over the world.

By completing activities and playing the games, the children will earn points for themselves, their class and their school. If your child or your child's class earns enough points, they will find themselves on the leader board. Imagine seeing your child's name or class on one of the leader boards! Once they've earned enough points, they will be awarded certificates.

Unfortunately, the usage of this fantastic resource is currently very low. We are aiming to encourage the children to use Mathletics as often as they can at home. In order to encourage them, we are re-launching it with the first 3 weeks of Term 2 being 'Mathletics Mania'. During this time, the classes in the school will be competing against each other to see which class can win the most certificates.

Your child's log in details have been put in their contact book/planner. Please make a note of them at home.

Thank you for your continued support.

Yours sincerely

Mrs Lonergan
Assistant Headteacher
