

Nursery
Class Teacher: Miss Sinden
Teaching Assistant: Tina and Jill

A big warm welcome to all our new nursery children and the exciting start to our new 30 hour provision. Children have been settling into new routines and learning to access the environment independently.

We have been looking after our sensory garden and the children took great care to prepare the soil for the planting of plenty of bulbs. Which we look forward to watching grow in the spring.

The children have been enjoying stories with bears in and showed a particular interest in “Goldilocks and the Three bears”. The children built beds and chairs in the construction area and looked at sequencing the story amongst the porridge oats. We have all enjoyed some beautiful retelling of the story and the children have even been making up their own stories with the characters.

The children have been enthusiastic to take part in some cooking following our look at the “Biscuit Bear” story. This was a good opportunity for us to share stories of the cooking that takes place at home.

The children have come a long way in the few weeks that they have been attending and are showing good understanding of taking turns with their new friends.
