Parent Council

A group of Parent Council representatives meet each month to support the school by putting forward the views, ideas and suggestions expressed by parents and carers about a range of issues. As a school, we then take these into account when planning events and learning experiences for our pupils.

All parents and carers are welcome to contribute their ideas via our school council representatives (photographs will be displayed in the front office by half term). However, we realise that this isn't always possible so this year we have set up a new Parent Council email address

RMP_parentcouncil@swale.at

Please note that this email address will be used to gather views, suggestions and ideas which will be discussed at a future Parent Council meeting. We will not be sending individual replies

If you wish to put yourself forward to join our Parent Council and become a representative, please send a message to the Parent Council email address, including your child/ren's class/es and contact details.

We look forward to continue working together to ensure our pupils have the best possible school experiences.
