## Parents as Readers 2017

Dear Parents/Carers

We wrote to you at the end of last year to start a new initiative of Parents as Readers. We are keen to relaunch this as we are constantly looking for ways to encourage our children to read. We know that part of this is for children to see grown-ups as readers and recognising that we enjoy reading books as well. With this in mind we would like to again invite our parents and carers in to read their favourite childhood book with their child's class.

We are going to have a dedicated time at the end of the day on a Friday where you would arrive at the school office at 2:45 before reading with to your child's class and then collecting your child/ren.

We are hoping that a lot of parents and indeed members of your wider family (this could be mums, dads, aunts, uncles, grandparents, etc) will be prepared to share books from a variety of different genres and backgrounds. We would ask that you consider the appropriateness of any book you will be bringing in to the age of the class you would be reading to (it is fine to bring a longer book but you will only be able to read an excerpt in the time given).

If you are interested in coming into school as part of this scheme then please complete the form below and return in your child's contact book. We will then communicate to you as to the date we would like you to come in. There is the potential (depending on the number of parents/carers who would like to do this) that we will need to give them a date in the next term.

Adults throughout the school will be reading their favourite books with children in the school as well and hope that you will join us.45

Thank you for your support.  
Yours sincerely

Mr M Perry  
Head of School
