

Welcome to Term 2

This term we are learning all about space.

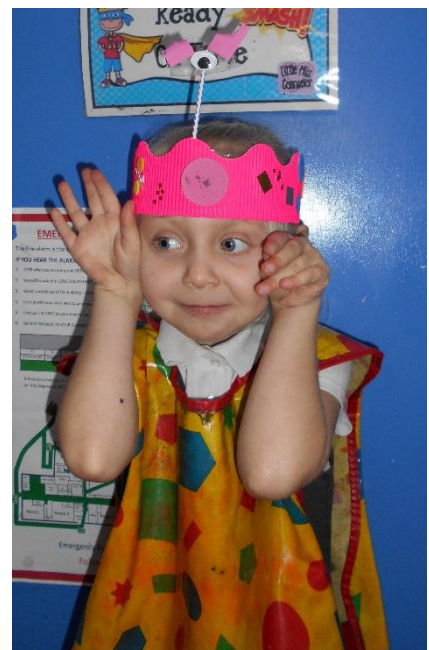

To start our space topic off we are read the story Alien in Underpants Save the World.

We enjoyed reading this book as it gave us lots of interesting conversations about different aliens and where they might live.

We have loved having the role play area as a space café, and especially love the spaceship.

We then decided to make our own alien hats. We could be whatever alien we wanted. Some of us had 3 eyes, 8 eyes and even 10 eyes. Mr Perry and Miss Beevis had a go at making their own alien hat too and enjoyed wearing it around the school. We knew that aliens are sometimes a bit silly so we pulled our own silly alien faces when we wore our hats.

We built our own aliens using the popitds in the construction area, and had a go at drawing them afterwards.

Obviously we had to then design our own pair of pants for the alien, as we know from the story just how much the aliens love underpants.

If all of that wasn't busy enough we have also begun our phonic lessons. This week we have learnt two new sounds and have enjoyed practising reading and writing them. We are very excited to learn new sounds and we just love to keep saying the rhymes that help us write each letter.
