

Regis Manor Primary School

Nursery Newsletter

Firstly a warm welcome to our new starters this term. The children have made a great start to settling into their new nursery and our established members have proudly shown them the way.

This term our topic is going to be Traditional Tales. We are going to be exploring books such as The Gingerbread Man, the Three Little Pigs and Jack and the Beanstalk.

It would be great if you can share these stories with your children at home too.

If you have any boxes at home then please send them in with your child as we are looking forward to building castles with them when we read Jack and the Beanstalk.

Home readers

This term we will be encouraging the children to borrow books from our home reader's library. As an incentive the children have an opportunity to climb up the beanstalk and those reaching the 20 bean mark will receive a little prize.

Wellingtons

To have full access to our outside area in all weathers we would appreciate if every child could have a named pair of wellies in school. We like to have access to outside during all weathers so a pair of wellies helps keep the children's feet nice and dry.

Thank you for your constant support

Miss Sinden
