MP/KC/Reception Area

12 October 2018

Dear Parents/Carers

During half-term work to regenerate the Year R outside area is going to begin. The work will involve the complete removal of the current provision with a new surface, water area, sand pit and fence being installed. This will result in a much more open planned outside provision that will give us the flexibility to provide a more enriched curriculum for our younger children.

We are expecting the works to continue for two weeks after half-term with the majority of the area being out of use during that time. When we return to school the area beneath the canopy will be finished and access to the Year R classrooms will continue as normal and parents will continue to use the North Street gate entrance in the same way they have so far this year.

We have taken steps to ensure that during the time of the construction works, we are still able to offer our Reception children an outdoor provision.

We are very excited about the new provision and apologise for any inconvenience caused during the period of the construction works.

Kind regards

Mr M Perry
Head of School

WORKING TOGETHER TO SUCCEED
