This term Year 2 have been learning all about Fairytales. We have heard the Wolf's version of the Three Little Pigs, acted out the story of Cinderella and have had lots of fun during our Art lessons, exploring with clay. We've created some clay fish linked to the story of 'The Little Mermaid'. We cut the fish from clay and added sequins and a googly eye to bring them to life! Take a look at some of our amazing creations.

In Maths we have been focusing on place value, addition and subtraction. In the pictures we were matching numbers with the deines (base 10) and the number written in words.

We have also been partitioning to help us add and subtract. Here is an example of our superb work!

In Year 2 we have a high expectation on handwriting. The children are working really hard on theirs and are working their way to receiving a pen licence. Some have been lucky enough to receive theirs already!

I think Aladdin is a bad character ~~so~~ because he listens to a bad guys to get princess Jasmine to love him again. Also he lies to Jasmine that his a prince although he steals the treasure from the dungeon. I believe that Aladdin stole good without asking got it as well as he got the lamp and a massive genie came out and gave us a wish. He scares the other characters and he sends the monkey to steal spirit.

I think Aladdin is a good character because he marries Jasmine with a kiss!

↑ Fantastic opinions - you have used different conjunctions
