

## PE Kit/Jewellery

You need your PE kit in school at all times. Your set PE day is **Monday** however sometimes we may do extra activities where you need your kit. PE kit is: white t-shirt, navy blue short, white socks and plim-solls/ trainers. In the winter, you should bring in a tracksuit of a dark colour.

**No jewellery is to be worn in school** except a watch. We advised in July that if you were intending on getting your ears pierced, that this would be best at the start of the school holiday to allow enough time to heal before your return. As soon as this healing time is over we expect earrings to be removed before coming to school. Please remember you also need a hair band if you have long hair.

## Snacks / Water

Break time snacks need to be healthy please. Remember to bring your water bottle in to school every day so that you can drink during lesson time.

## Morning Routine

You can arrive at school any time between 8.30 and 8.45am, coming straight into the classroom.

## Finally...

We have had a very positive start to Year 3 and are looking forward together at a fantastic year ahead. Don't forget to continue to hard work and play well together :)

**Mr Vidler and Miss Hillary**

# Welcome to Year 3

## 2017 / 2018

## Welcome to Year 3!

Your teachers are:

3V — Mr Vidler and Mrs Brackstone

3H — Miss Hillary and Mrs Evans

We have already been working really hard and are very much looking forward to continue working with you all during this exciting year ahead!

This year, all the classes are celebrating excellent British authors as part of our reading and topic work.

If you have any books by these authors, please feel free to bring them in NAMED and they can form part of our book corner!

3V - J.K.Rowling

3H - David Walliams

This year our topics will be:

Term 1 : Magic

Term 2 : Around the World in Eighty Days

Term 3 : Titanic

Term 4 : Space

Term 5 : MI5

Term 6 : Crime and Punishment

### Equipment

It would be useful if you could have the following for use at school:

A small pencil case (that fits in your tray!)

Pencils                      A ruler                      A rubber

Coloured pencils              A pencil sharpener

A painting apron (or old t-shirt)

### Home / School Contact

You will be given another planner to use during Year 3. Read the important information in it with your parents at the beginning of term. It is really important that you bring the planner to school every day. If your parents have written a note to us, please show us your planner in the morning.

There will be parents evenings during the year where your teacher, parents and yourself can discuss your progress.

## Homework

As you know, all children at Regis Manor are asked to read to an adult 4 times a week, and this counts as part of your homework. Write down the book title and pages that you have read each day, then please ask your parents to sign your planner at the end of the week; we are always interested to read their comments about your reading. If you have a book at home that you would like to use as a reading book, that is fine. If not you can choose one from the book corner.

We will be continuing the same style of home learning this year. You will be given a learning log and different tasks will be set at the start of the term; you can choose your tasks each week and earn points! We would like to share a few examples each week of homework tasks that have been produced by the children.

You will also have Mathematics tasks. You will have time in school to do this but you can also complete them at home. Your parents can set up their own account to see how well you are doing!

Spellings will be given out every Monday and tested every Friday. Again there will be some time in school to practise them, however we would like to encourage children to also work on them at home.

Do not stress about completing Topic homework once a week. We know some of the tasks we have given sometimes take a little bit longer to make and therefore we know you will bring them in once they are completed and looking fantastic!

To keep them looking smart, please do not write or draw on the cover of any of your books.

### Organisation

As you move into Year 3, we know that you are starting to become more independent. Later on you will need to take responsibility for remembering what you need for school and to hand your homework in on time. If you lose something that belongs to you, try lost property. If you have tried really hard to look for something yourself but still can't find it, an adult will help.
