

Regis Manor Primary School

Reception Newsletter

This term our topic is space!!

We will be using different stories to theme our learning each week and immersing the children in a space themed environment. If you have any junk modelling materials, including cereal boxes and bottles, please save them and send them in with your child, as we can make fantastic rockets with them.

Phonics

We have started our daily phonic teaching and the children are thoroughly enjoying it. Each day we are learning a new sound and practising recognising it and writing it throughout the day.

The children have new sound books which we are sending home on a Friday with a new sound to practise writing at home. This will be checked and the new sound added on a Friday so please ensure they are back in the book bag by then please.

Wellingtons

To have full access to our outside area in all weathers we would appreciate if every child could have a named pair of wellies in school.

Coats

As the weather gets colder please can you ensure that your child has a named coat in school. It would be very helpful if you could practice zipping the coat up at home with them so they are able to independently put their coat on.

Thank you for your continued support,

Mrs King and Mrs Garland
